- **Databases:** MySQL
- **Tools & Platforms:** Visual Studio Code (VS Code), Git, GitHub, MySQL Workbench, XAMPP
- **Core Concepts:** DOM Manipulation, REST API Integration, Database Connectivity, CRUD Operations, Authentication & Session Management, UI/UX Fundamentals, MVC Basics
- **Soft Skills:** Problem Solving, Analytical Thinking, Communication, Team Collaboration, Adaptability, Fast Learner

INTERNSHIP

Frontend Developer Intern | CleverGround Technology Pvt. Ltd.

- Developed responsive mobile application screens using React Native and JavaScript.
- Built reusable UI components to improve code reusability and maintainability.
- Fixed UI and functionality bugs to enhance application performance and user experience.
- Worked with the development team to implement new features and meet project deadlines.
- Improved app responsiveness and navigation across different Android devices.

TECHNICAL PROJECT

Komal Cake Corner- Online Cake Booking

Jun 2026 - July 2026

- Designed and developed a responsive cake shop website using HTML, CSS, JavaScript, PHP, and MySQL.
- Implemented user registration, login, product listing, shopping cart, and online order functionality.
- Built an admin panel to manage cakes, categories, customer orders, and user information.
- Integrated secure database connectivity using PHP and MySQL for dynamic website functionality.
- Added responsive layouts, form validation, and an intuitive user interface to improve user experience across desktop and mobile devices.

EDUSITY - EDUCATIONAL WEBSITE (REACT FRONTEND PROJECT)

Jan 2026 - Feb 2026

- Develop a responsive educational website frontend using React.js, HTML, CSS, and JavaScript.
- Designed interactive pages including Home, Courses, About, Contact, and Student Learning sections.
- Implemented reusable React components for better code maintainability and performance.
- Created responsive layouts compatible with mobile, tablet, and desktop devices.
- Improved user experience through clean UI design and smooth navigation.
- Strengthened practical skills in React frontend development, component architecture, and responsive web design.
